You, the 1963 graduating class of Middletown High School, the first in the history of the Town, carries with it the hopes and aspirations of the citizens of this Town who spent their energy and their fortune for that which they value most highly for you, namely an education. The opportunities which you have had, the torch of knowledge which you now possess are but the beginning of a lasting inheritance. Nothing could bring more honor to your parents, more pride to your teachers and more satisfaction to the people of this Community than to see you prosper and mature to noble stature in our society.

Your thoughtfulness and sentiments of appreciation expressed in the theme and spirit of this Yearbook are proof indeed of the loyalty and civic mindedness which characterize the students of Middletown High School.

We wish you well.

#### CONGRATULATIONS TO THE CLASS OF 1963

You will be long remembered as the first class to be graduated from Middletown High School because you have helped blaze a trail which should help all who follow in the years to come. You can show your appreciation to those who helped to provide us with our new high school building by becoming responsible citizens and by respecting the dignity of your fellow man.

William R. Loughery  
*Principal*

## *Assistant Principal*

MR. NORMAND J. A. BELANGER

Mr. Normand J. A. Belanger, a many faceted individual, has been a well-known and respected person throughout our high school years. In his capacity as Assistant-Principal, he has solved many of our problems with his quick and penetrating insight. His straightforwardness and subtle sense of humor have made him a welcomed fixture at many of our school functions.

A Bachelors and Masters Degree in Science and Mathematics and a Masters Degree in these subjects, both obtained at St. Michel's College, Vermont, have prepared him for the efficient way he executes his duties today. The respect and admiration with which the class of '63 regards Mr. Belanger, is only surpassed by the debt of gratitude that we owe him.

## *Director of Guidance*

MRS. MYRTLE B. SULLIVAN

During the years of our high school life Mrs. Myrtle B. Sullivan has lent a helping hand with all of our problems; from schedule changes to our plans for the future. Although her schedule is one of the busiest, Mrs. Sullivan still finds time to take an individual interest in each student. Her wonderful gift of putting the frantic student at ease has won her the admiration of the entire student body. Mrs. Sullivan is a person of encouragement, equality, and sincerity, who is always striving toward the best for her staff and her students.

There is little need to mention her graduation from Pembroke College with a Bachelor of Arts Degree, for her qualifications as Director of Guidance are evident in her superb work.

The Class of 1963 wishes to extend a most sincere THANK YOU to Mrs. Sullivan.

## *“Drums of Death”*

“Drums of Death,” the title of our Senior Class Play was a combination of excitement, hard work, and fun. It was a mystery comedy and if anyone could have been behind stage they would know for sure. As time approached for a certain player to go on stage you could hear a loud whisper, “Where’s my flashlight!”, with that everyone went into a tizzy searching for the all important flashlight. When you took your first plunge onto the stage all your confidence was shattered when you heard a familiar voice shouting, “That’s my sister!” Or if anyone could have seen Mr. Caferelli’s facial expressions when someone missed a line they would have rolled with gales of laughter or cringed terrified! BUT the show went on!

# Middletown High School Band

*Some of the things the band has done are...*

Middletown High School is extremely proud of its very active band. The band has represented Middletown High on many occasions. At Christmas time the band presented a moving program at the Aquidneck Shopping Center. On other memorable occasions the band marched in parades in Middletown and Newport, played for the public in the school cafetorium, and performed in the excellent musical "The Singing Freshman." The band also participates in the State Auditions Festival and several members are in the All State Orchestra. Under the enthusiastic direction of Mr. Stare and his assistant, Mr. Joseph, the band is considered by all, one of Middletown High School's greatest assets.

## The "Zephyr" Staff

The ZEPHYR, conveying an illusion of a soft sea breeze, is Middletown High School's newspaper. The main objectives of the paper are to be informative, humorous, and interesting.

The M.H.S. newspaper staff consists of forty-two people ranging from the seventh through twelfth years. These forty-two people were chosen by Mrs. John P. Murphy, faculty moderator, and members of the English Department.

Christy Griffith is editor-in-chief; Ann Lucey, business manager; and Dana Cooley, advertising manager. Allegra Munson, Mary Lee Smith, Deidre Jones, and Betty Barry are the page editors.

Our First Varsity Interscholastic Basketball team, under the guidance of Coach James Williams, became a source of great pride to our school during the 1963 season.

Although we lacked the valuable asset of height, we made up for it with plenty of hustle and a real determination to win.

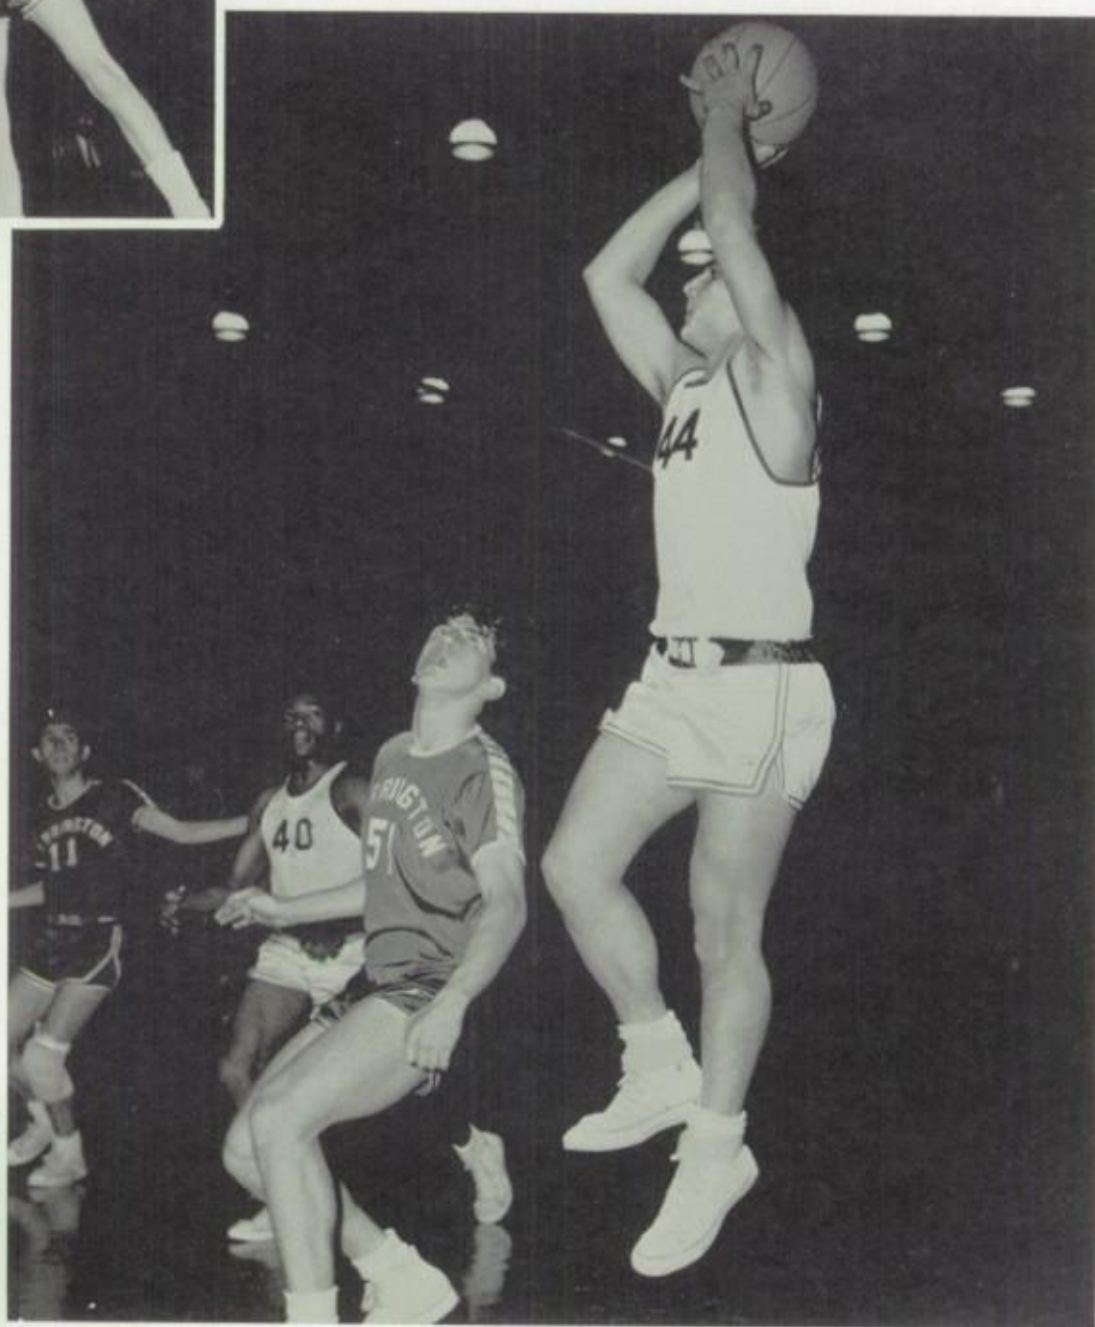

The valuable experience gained by our team is certain to insure success in future years.
